

Cockburnspath & Cove Community Council

As a follow on from the recent flyer about Community Benefits, the Community Council would like to invite everyone to a meeting on Thursday 27th October at 7pm in the Bowling Club.

This meeting is to look at going forward with managing our Wind Farm monies. Malcom Jack from Foundation Scotland (a not-for-profit charity set up to assist and advise on Community Funds) will advise on how they can help.

Questions from everyone are more than welcome. This is our Community and we all need to decide the best way forward.

Teas, coffee and home baking available
